Presidents Message:

Fellow Rotarians

I hope Dr. LeFavi's discussion at last week's meeting about how Beaufort is a great college town without a major college inspired you to submit your ideas to him for how to make USCB a more productive part of our community. If you missed his presentation last week, USCB is revamping, poised to invest in degree programs that will support our community. If you have ideas as to what programs they should pursue, he asked that we submit those to him, as they are making decisions now for shaping the long-term future of USCB. Thanks to those members who made suggestions at the meeting.

We will be voting at this week's meeting on the following club members who have been nominated to fill the 3 board positions for the 7/1/19-6/30/21 term:

- Anna Graham
- Kathy Bundy
- Jim Rowan

Reminders:

- Adopt a Family project: Many thanks to those of you who have already donated to our Adopt a Family project. Kathy Bundy will be collecting any remaining donations for this project at this week's meeting. (See Kathy's e-mail on 11/29/18 for more details.)
- I'm looking forward to our Christmas party at the Santa Elena Center on Thursday night. Many thanks to Amy Purdy & Deb Schuchmann for all their party planning efforts.
